- Only one copy of a document is sufficient when obtaining such from the Parish Priest as the same document can be produced at different schools. Photocopies of the originals are sufficient to attach with the application as the originals could be produced at the interview.
- Beware of fraudulent persons who ask money to admit your child to a school. Admissions are done under the direct supervision of the principal and no outsider can influence them. If possible, report such persons to this office.
- Due to the heavy demand to the Catholic Private and International Schools, the parents are advised to refrain from applying to only one school but to apply to several including vested Catholic schools.
